| 2023      | Adam Smith Fellowship, Mercatus Center, George Mason University                                                                                                                                                                                                                                                                                       |
| 2023      | Empirical Implications of Theoretical Models (EITM) Summer Institutes, Princeton University                                                                                                                                                                                                                                                           |
| 2022      | Moral Foundations of Law, James Madison Program, Princeton University                                                                                                                                                                                                                                                                                 |
| 2022–2023 | JMC Jeffersonian Seminar, Jack Miller Center for Teaching America’s Founding Principles and History                                                                                                                                                                                                                                                   |
| 2020      | First and Second General Sessions, Inter-university Consortium for Political and Social Research (ICPSR) Summer Program in Quantitative Methods of Social Research ((1) Maximum Likelihood Estimation I; (2) Maximum Likelihood Estimation II; (3) Bayesian Modeling for the Social Sciences I; (4) Structural Equation Models with Latent Variables) |
| 2019      | Preparing Future Faculty (PFF) Designing Inclusive Pedagogy Sessions                                                                                                                                                                                                                                                                                  |

## Additional Experience

|           |                                                                                               |
|-----------|-----------------------------------------------------------------------------------------------|
| 2024–2026 | Research Assistant for Dr. Melissa Rogers, Inequality and Policy Research Center, CGU         |
| 2024      | Teaching Assistant for Introduction to Statistical Analysis, Dr. Carlos Algara, CGU           |
| 2023      | Teaching Assistant for Computational Tools for Social Science, Dr. Tyler Reny, CGU            |
| 2023      | Teaching Assistant for Visualizing Data, Dr. Tyler Reny, CGU                                  |
| 2021      | Teaching Assistant for Transdisciplinary Research in Inequality, Dr. Javier M. Rodriguez, CGU |
| 2020      | Research Assistant for Dr. Jean R. Schroedel, CGU                                             |
| 2019–2025 | Research Assistant for Dr. Javier M. Rodriguez, Inequality and Policy Research Center, CGU    |

## Service

|           |                                                                     |
|-----------|---------------------------------------------------------------------|
| 2024–     | Reviewer for <i>Journal of Racial and Ethnic Health Disparities</i> |
| 2024      | Presentation: Tuesday Talks, CGU                                    |
| 2023      | Presentation: “Discover CGU” Fall Open House, CGU                   |
| 2008–2009 | Military Service, Republic of Korea Marine Corps, Republic of Korea |

## Skills

R, Python, Plink, Stata,  $\text{\LaTeX}$ , Qualtrics  
 Native in Korean, Proficient in English
